

CannaVision Announces Plans to Open Three Medical Cannabis and Holistic Pain Management Clinics in the Tampa Bay Metropolitan Area

LAS VEGAS, NEVADA--(OTCMarkets-10/10/2017)--StereoVision Entertainment, Inc. (OTC PINK: [SVSN](#)), a publicly traded Nevada corporation announced today that their majority owned medical cannabis clinic and industrial hemp subsidiary CannaVision plans to open three medical cannabis and holistic pain management clinics in the Tampa Bay metropolitan area.

“We’re seeing high demand for medical cannabis cards in Florida,” stated CannaVision President Marla Marloch. “We believe John Morgan, who has 100% support from CannaVision’s management and investors, will prevail in his efforts to allow the medical use of the whole marijuana plant by qualified medical marijuana patients in Florida. A victory for his lawsuit representing the freedom of choice for Florida’s qualified medical marijuana patients is expected to generate exponential growth in the number of people seeking qualification for medical marijuana cards. With this investment in Tampa Bay’s metropolitan area we’re continuing to grow our CannaVision Clinics footprint throughout the state.”
