

StereoVision-Inspirational Vision Media Deal Unwound-Divests CannaVision Position to 4.9% - Continues Plans Inhouse for the Hemp and Film Industries

Las Vegas, Nevada (OTCMarkets 10/24/18) StereoVision Entertainment Inc. (OTC:SVSN) announced today that in an effort to consolidate its efforts so as to better serve the SVE shareholders, the SVE – Inspirational Vision Media deal was unwound which returns to SVE’s treasury 12,500,000 SVSN shares, and ownership of TDOJ LLC which holds ownership of the faith-based feature film project, “Three Dimensions Of Jerusalem. For a small cash and stock buyout SVE has divested itself down to 4.9% of ownership in MediCannaVision. “Recently while working my way through a health issue I concluded the best thing I could do for the SVE shareholder’s is to bring our hemp industry opportunities back under the SVE banner while at the same time returning to SVE our flagship film project, “Three Dimensions Of Jerusalem”, and instead of SVE filing SEC registrations for two other companies, file an SEC registration statement for SVE bringing our publicly traded stock (OTC:SVSN) back to SEC fully reporting status allowing current SVSN shareholders to deposit and trade their aged Rule 144 stock.” said StereoVision’s CEO Jack Honour. “SVSN becoming fully reporting with the SEC and moving up from the OTCMarkets PINKSHEETS would provide SVSN shareholders with the ability to deposit their SVSN 144 stock certificates with their stock brokers and a broader marketplace in which to trade their SVSN stock. Currently we are actively interviewing candidates with SEC filing and OTC banking experience to take over as SVE’s CEO. I will then direct my energy towards building on our presence in the hemp industry and getting “Three Dimensions Of Jerusalem” and our other films produced and released. Additionally, SVE’s Board and the SVE majority shareholder met and elected a new Board of Directors now made up of Jack Honour as Chairman, Stephen Curran as Vice Chairman and Andres Romero as Director. Upon our selecting our new CEO SVE’s Board will be adjusted and expanded to comply with OTCQB and SEC requirements.”
