

StereoVision Receives Invite From OTCMarkets To Move Up To OTCQB

LAS VEGAS, NEVADA--(OTCMarkets--July 19, 2017)--StereoVision Entertainment, Inc. (OTC PINK: [SVSN](#)), a publicly traded Nevada company announced today that they have received an invitation from OTCMarkets to move from the PINKSHEETS up to the OTCQB.

“We are pleased to have received an invitation from OTCMarkets to move SVSN from the PINKSHEETS to the OTCQB,” stated StereoVision’s CEO Jack Honour. “Company’s trading on the PINKSHEETS rely almost entirely on retail trading while the OTCQB companies get broad based participation from institutional broker/dealers, and the retail market. We already comply with most of the requirements to move up to the OTCQB. An important advantage to this opportunity is that while completing an audit remains a requirement, OTCMarkets no longer requires OTCQB companies to file their audits with the SEC, which removes an enormously time and cost intensive process. Being on the OTCQB also makes it much easier for SVSN shareholders to trade and transfer their stock. While we are in the process of taking two of our subsidiaries public through S-1 registration statements, we will audit StereoVision so as to fully comply with OTCQB listing requirements.”
